Experience

Goldman Sachs *New York, 200 West St, 10282*

AWM Engineering Analyst *Jan 2024 - Aug 2024*

- Established connectivity with a counterpart financial institute to enhance company research and leveraged SEC filings for informed analysis.
- Engineered a natural language interface for a comprehensive dashboard, enabling Portfolio Managers to effectively respond to client queries.
- Designed and implemented an internal Large Language Model (LLM) Python SDK, enhancing functionality and user engagement.

Goldman Sachs *New York, 200 West St, 10282*

Core Engineering Analyst *Jan 2023 - Jan 2024*

- Developed the **generative AI platform** offering access to large language models and agent execution orchestration, supporting over 30 use cases.
- Collaborated with a leading AI firm to **fine-tune** a large language model on a proprietary programming language.
- Enhanced OCR pipeline processing 10k+ documents daily with **Metaflow** and transitioned data storage systems to cloud-based solutions using **FastAPI**.

Jareed

Machine Learning Developer *Dec 2021 - May 2022*

- Evaluated product performance for 38,000+ subscribers and shared the results utilizing **streamlit**.

Oasis Capital

Financial Analyst *Dec 2021 - Jan 2023*

- Filtering and merging excel files, creating excel files for tools such as affinity, and migrating database from Airtable to affinity.
- Collaborated with stakeholders and team members to expand and adjust databases.

Projects

Kaggle

- Participated in a Fake review prediction task where I applied a **recurrent neural network** model to achieve an accuracy of 94%
- Participated in a bank lending prediction task where I developed an **ensemble model**, specifically Gradient Boosted Trees, and ended in the top 25% of the leaderboard.

Education

King Abdullah University Of Science And Technology

M.S. in Computer Science *2024 - Present*

Purdue University *GPA: 3.86/4.0*

B.S. in Computer Science, Minor in Economics, and Mathematics *2019 - 2022*

- Dean's List and Semester Honors for all semesters.

Honors

KGSP Scholarship

King Abdullah University of Science and Technology

- KGSP is the KAUST Gifted Student Program which is a funded scholarship program designed for Saudi students.

Skills

Programming Python, FastAPI, Pandas, Git | **Other Tools** Excel, LaTeX, bash
